**REFERENCE NAME: Community Enhancement Fund Grant**

**GRANT ISSUANCE DATE: 4-8-10**

**GRANT OPENING DATE: 5-7-10**

**GRANT OPENING TIME: 4:30 p.m.**

## GENERAL INFORMATION

**A Request for Applications from eligible non-profits providing the following services:**

### **Domestic Violence:**

Domestic violence, defined as violence against women and children in the home by a spouse or partner. The priority for CEF Domestic Violence funding from the FY2011 Community Enhancement Fund is personal safety and family protection. Within that definition, priorities are: first, shelter, then advocacy, then counseling. Services to be provided must be specific to domestic violence victimization. For example, an application for generic shelter beds that *could* be occupied by domestic violence victims would not be eligible unless the applicant proposed to provide services with those beds tailored for domestic violence victims. (Note: no funding is available for prevention services or for child abuse services.)

### **Community Service:**

The CEF will fund services provided for individuals and families experiencing economic crisis that address basic needs, including housing, food, and/or case management services that support the above. Housing means shelter-related needs such as rental assistance, utilities, and mortgage assistance. Any domestic violence-related housing should apply through the Domestic Violence service category. (Note: no funding is available for services for those who are already homeless.)

### **After-school Programs:**

The CEF will fund structured out-of-school programs provided to children and youth, pre-K through high school diploma, that promote student success. Program components must provide academic enhancement, life skills, community service, recreation, and/or preparation for post-secondary activities in an intentional and compelling way. Sufficient exposure for success (duration, intensity and breadth) is critical, **at least 3 days per week** over an extended period of time. An extended period of time is defined as a minimum of 180 hours totally. See Handbook for examples of computation of 180 hours.

**CEF applicant eligibility criteria may be found in the FY11 Community Enhancement Fund Handbook available at:**
